

**“Papé. From parts
to people,
they’re outstanding”**

Kevin Montoya - Viking Drillers

**You can count on consistent, quality customer service from Papé Machinery
The West's Number One construction equipment dealer.**

Since 1938, hard-working equipment owners, and operators, have counted on Papé companies to keep them and their equipment working. And when you need hard working equipment solutions for your business, you can count on the dedicated people and superior products offered by Papé Machinery.

Papé Machinery continues the Papé commitment to consistent quality customer service.

This unparalleled commitment to service has been a Papé tradition for almost seventy years, and that means you can count on Papé Machinery for sales, rentals, parts, leasing and service for all your equipment needs.
