

one year terms.

In general, the plumbing contract will be a firm fixed price, indefinite quantity contract to furnish all labor and materials necessary to perform various plumbing repairs throughout the campus. Bidders will be required to provide prices for five (5) plumbing repair projects, as well as their hourly rates and material mark-up charges. The estimated annual contract value is \$100,000. Bidder must have a valid C-36 license.

A mandatory site walkthrough has been scheduled for 10:00 A.M., on September 14, 2006. Interested bidders shall assemble in the Office of Facilities & Service Enterprises located in the Corporation Yard (North State Drive) on the campus of San Francisco State University.

Bid documents can be obtained in person from John Lew, Project Manager, San Francisco State University, 1600 Holloway Avenue, San Francisco CA 94132. For additional information and directions, please call Mr. Lew at (415) 338-1864.

Sealed bids are due before 2:00 P.M., September 21st 2006 in the Office of John Lew, San Francisco State University, 1600 Holloway Avenue, Facilities & Service Enterprises, San Francisco CA 94132-4033 or they will be disregarded. It is the bidder's responsibility to insure their bid is received prior to the bid submittal deadline; the University assumes no responsibility for bids delivered late by the U S Postal Service or by any other means of delivery. A bidder's security in the form of a cashier's check or bid bond in the amount of \$10,000.00 is required with each bid.

Additional bid requirements include a minimum 3% Disabled Veterans Business Enterprises (DVBE) participation or evidence of a Good Faith Effort to do so, a \$50,000 Payment Bond, payment of Prevailing Wages, Nondiscrimination in Employment and Fair Employment Practices. Advertising for possible DVBE participation will be required every ninety (90) days unless the successful bidder obtains the minimum 3% participation goal.
